# A Few Words From the President...

"The Pfeiffer Year Book is a celebration of your place within this special community. My hope is it helps you remain connected to your friends, classmates, faculty, and staff who have been a part of your journey here. Thank you for the example that you have set as a servant leader who will make a real difference! What has been meaningful to you here will make what will be meaningful to you ahead."

Dr. Chuck Ambrose

# Pfeiffer Student Life

Pfeiffer University takes pride in its Student Life.

Living in the small town atmosphere students are able to recognize faces and build on that sense of community. With Friday and Saturday night PAC events students always have something new and exciting to partake in. This year alone activities such as Bingo, Hunger and Homelessness Week, Servant Leadership Week, Late night Ultimate, Stress Buster Dodge Ball and events that include Comedians, Bands, Artist and Writers. Pfeiffer has a lot to offer the student body but the exciting part about many of the actives that take place on campus is that they are student initiative and student led!

To the Right: Former Carolina Panthers player Mike Minter takes time to visit Pfeiffer and talk to the student body.

# Commuter Student Association

The CSA is a support group for commuters. A lot of times commuters do not know where to go for help or information and with e-mails the officers can find out what they need to know and inform the commuters. We try to sponsor cultural credit events when we can. Contest are sponsored to improve moral and get the students involved in community services by donating needed items. The commuter can win prizes such as Wal-Mart Gift cards or gas prizes. We have a picnic at the end of the Spring semester so everyone can meet and have a good time. We try to meet once a month, but being commuters that can be hard to do.

"Every year CAP (Catholics at Pfeiffer) does a service project. Being the CAP president, I had an idea over the summer to organize a race on campus in order to fund raise for Breast Cancer research. Personally, I do not know anyone in my immediate family or friends that has been affected; I have just always had a passion for supporting the fight. I presented this idea to CAP and they decided to share this passion and take on this challenge. Our weekly meetings for the rest of the semester consisted of planning this event. CAP had an abundant amount of support and help with this event from the Pfeiffer community."

-Patty Hunter

The whole night is focused on being alcohol free and raising money to support such a great organization.

# Relay 4 Life 2008

Relay For Life is the American Cancer Society's signature activity. It offers everyone in a community an opportunity to participate in the fight against cancer.

Teams of people camp out at a local high school, park, or fairground and take turns walking or running around a track or path.

Each team is asked to have a representative on the track at all times during the event. Relays are an overnight event, up to 24 hours in length.
